Kids Birthday Parties

Kids Birthday Parties at A la Carte are always fun! Each party is a 2-hour hands-on cooking class with a chance to enjoy the meal as well. We have many different menu selections for your child to choose from - or let us customize one especially for your child!

- The price is \$720 for up to 12 kids; \$60pp for each additional child and we can comfortably accommodate up to 20. 2 adults are complimentary; additional adults are \$30 pp.
- We welcome children ages 8 and up. If there is a younger sibling, and the instructor feels it is safe, we will include them. Let us know in advance if any younger children will be attending.

A 50% deposit is due when you book the date: the remainder is due 10 days before the event. Deposits are non-refundable.
