Mommy and Me!

An unforgettable event to celebrate your child's birthday - or any special occasion! "Mommy and Me" parties at A la Carte give you a chance to enjoy other Moms as well as your kids! Each party is a customized hands-on cooking class. Choose from our menu selections to, or ask us if there's something special you'd like to make.

- The minimum number of children for the party is 6 - that's 6 "couples" (of course you can do less; the fee is just based on the 12 attendees). We can comfortably accommodate up to 20 (10 "couples"). We welcome children ages 4 and up. Each adult will be working with their own child.

• For a 1 ½ -hour birthday party, the price is \$109.00 per "couple". For a birthday party, two adults may attend with the birthday child at no additional charge, however, if additional adults will be staying to watch, there will be a \$30.00 charge per person. Please let us know before the party. If "Mommy" wants to bring an additional child, it's \$54.50 per additional child.

A 50% deposit books the date; the remainder is due 10 days before the event. We can also create an adorable goody bag for an additional fee - just let us know in advance.
